PROGRAM v1.0

Teaching Program and Scope & Sequence | 2024 source edition

Course control	Stage 5 Textiles Technology elective — Year 9 annual component • Source edition: 2024 Teacher Edition
Delivery	40 weeks × 5 × 60 min per fortnight = 100 periods / 100 hours • State: Issue-ready program for the supplied 2024 Teacher Edition
Balance / syllabus	24 Site/theory • 22 Project/folio • 54 Practical • Textiles Technology 7–10 (2019), current for this edition
Projects / assessment	Designer Pyjamas + hoodie; Fashion Era/Designer magazine; Textile Art: In the Garden; Textiles as Gifts (conditional) • Four tasks: 30% / 20% / 30% / 20% = 100%

IMPLEMENTATION NOTE • The 2019 syllabus is the controlling syllabus for this 2024 source edition. The 2025 syllabus is a prepare-for-2028 source unless the school confirms early implementation. This sequence schedules all 24 named website theory sections, each section's ten-question check and its guided written response. Practical experiences occupy 54% of programmed periods. Exact local making methods remain controlled by teacher demonstration and room procedures.

Outcome map — exact 2019 outcome statements

TEX5-1 explains the properties and performance of a range of textile items	TEX5-2 justifies the selection of textile materials for specific end uses	TEX5-3 explains the creative process of design used in the work of textile designers
TEX5-4 generates and develops textile design ideas	TEX5-5 investigates and applies methods of colouration and decoration for a range of textile items	TEX5-6 analyses the influence of historical, cultural and contemporary perspectives on textile design, construction and use
TEX5-7 evaluates the impact of textiles production and use on the individual consumer and society	TEX5-8 selects and uses appropriate technology to creatively document, communicate and present design and project work	TEX5-9 critically selects and creatively manipulates a range of textile materials to produce quality textile items
TEX5-10 selects appropriate techniques and uses equipment safely in the production of quality textile projects	TEX5-11 demonstrates competence in the production of textile projects to completion	TEX5-12 evaluates textile items to determine quality in their design and construction

Teacher to confirm before delivery

TBC-01 Confirm whether this is the complete 100-hour course or Year 9 of a 200-hour course.	TBC-02 Confirm the 2024 sequence/notices are intended for the delivery cohort; issue replacements for later cohorts.	TBC-03 Confirm current patterns, equipment, resources, checkpoints and local WHS demonstrations.	TBC-04 Supply/approve the controlling Textiles as Gifts brief before Period 89; otherwise use consolidation.

P01–P010 Numbered delivery sequence | Term 1

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
1	Site	**Working safely in the textiles room**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	safe techniques and equipment	Safety explanation and ten checks; guided response saved. [TEX5-10]
2	Practical	**Room routines and equipment hold points**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-10]
3	Site	**Sewing-machine setup and control**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	safe techniques and equipment	Machine-control explanation and ten checks; guided response saved. [TEX5-10]
4	Practical	**Machine control on paper and threading**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-10]
5	Practical	**Machine control on paper and threading**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-10]
6	Site	**Pincushion practice and reflection**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	safe techniques and equipment; evaluate design/construction quality	Pincushion reflection and ten checks; guided response saved. [TEX5-10, 12]
7	Practical	**Pincushion practice — mark and cut**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–11]
8	Practical	**Pincushion practice — join and control seams**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–11]
9	Practical	**Pincushion practice — turn and fill**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–11]
10	Practical	**Pincushion practice — finish and quality check**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–11]

P11–P020

Numbered delivery sequence | Term 1

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
11	Site	**Textiles as a design medium**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	creative design process; develop textile design ideas	Design-purpose explanation and ten checks; guided response saved. [TEX5-3, 4]
12	Project	**Designer Pyjamas brief and criteria**	Start Folio cards: user need and success criteria; identify the authorised task boundaries.	develop textile design ideas; document and communicate project work	Completed brief and criteria cards. [TEX5-4, 8]
13	Site	**Elements of design**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	develop textile design ideas	Annotated element examples and ten checks; guided response saved. [TEX5-4]
14	Practical	**Design-element textile sampler**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	develop textile design ideas; colouration and decoration; select and manipulate materials	Dated work sample/photo and teacher observation. [TEX5-4, 5, 9]
15	Site	**Sources of inspiration and mood boards**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	creative design process; develop textile design ideas	Mood-board rationale and ten checks; guided response saved. [TEX5-3, 4]
16	Project	**Mood board and inspiration evidence**	Select, caption and reference purposeful inspiration; explain links to the intended user.	creative design process; develop textile design ideas; document and communicate project work	Inspiration card with captions and source list. [TEX5-3, 4, 8]
17	Site	**Target markets and nightwear needs**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	materials selected for end use; develop textile design ideas	Target-market profile and ten checks; guided response saved. [TEX5-2, 4]
18	Site	**Reading a commercial pattern**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	materials selected for end use; safe techniques and equipment	Pattern-symbol notes and ten checks; guided response saved. [TEX5-2, 10]
19	Practical	**Commercial-pattern handling**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	materials selected for end use; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-2, 10]
20	Site	**Developing and selecting design ideas**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	develop textile design ideas; document and communicate project work	Two concepts and selection rationale; ten checks and response saved. [TEX5-4, 8]

P21–P030 Numbered delivery sequence | Terms 1–2

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
21	Project	**Concept comparison and selection**	Complete two labelled front/back concepts and justify the final direction against criteria.	develop textile design ideas; document and communicate project work	Concepts card and design decision. [TEX5-4, 8]
22	Site	**Fibre classification and properties**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	properties and performance; materials selected for end use	Fibre classification and ten checks; guided response saved. [TEX5-1, 2]
23	Site	**From fibres to yarns**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	properties and performance	Fibre-to-yarn explanation and ten checks; guided response saved. [TEX5-1]
24	Site	**Woven, knitted and non-woven fabrics**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	properties and performance; materials selected for end use	Structure comparison and ten checks; guided response saved. [TEX5-1, 2]
25	Practical	**Fabric structure and end-use investigation**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	properties and performance; materials selected for end use	Dated work sample/photo and teacher observation. [TEX5-1, 2]
26	Site	**Construction sequence and technique samples**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Sequenced method and ten checks; guided response saved. [TEX5-9–11]
27	Practical	**Pattern check and layout**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
28	Practical	**Accurate marking and cutting**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
29	Practical	**Initial seam sample**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
30	Practical	**Pyjama assembly**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
31	Practical	**Seam finish and quality**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
32	Practical	**Waist/fastening process**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
33	Practical	**Hem preparation**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
34	Site	**Resources, equipment and costing**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	materials selected for end use; document and communicate project work	Real-resource table and ten checks; guided response saved. [TEX5-2, 8]
35	Project	**Resources, costing and production evidence**	Update materials, resources and production-plan cards using actual classroom evidence.	materials selected for end use; document and communicate project work	Costing/resource table and dated production plan. [TEX5-2, 8]
36	Practical	**Hoodie fabric handling**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
37	Practical	**Hoodie seam sample**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
38	Practical	**Hood/body construction**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
39	Practical	**Sleeve preparation**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
40	Practical	**Sleeve insertion**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]

Numbered delivery sequence | Term 2

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
41	Practical	**Neck/hood preparation**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
42	Practical	**Hood attachment**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
43	Practical	**Edge finishing**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
44	Practical	**Fit and function check**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
45	Site	**Product labels and evaluation**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	document and communicate project work; evaluate design/construction quality	Label/evaluation response and ten checks saved. [TEX5-8, 12]
46	Project	**Task 1 folio completion and product record**	Complete checkpoints, resources/label and evaluation; prepare the authorised Task 1 folio submission.	document and communicate project work; evaluate design/construction quality	Task 1 folio checkpoint: Term 2 Week 5 source milestone recorded. [TEX5-8, 12]
47	Practical	**Final pyjama finishing**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
48	Practical	**Final hoodie finishing**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
49	Practical	**Pressing and presentation**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]
50	Practical	**Task 1 practical checkpoint**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Select/manipulate materials; safe processes; complete and evaluate quality work.	Dated work sample/photo and teacher observation. [TEX5-9–12]

P51–P060 Numbered delivery sequence | Term 3

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
51	Site	**Fashion eras and historical influence**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	historical/cultural/contemporary influences	Era influence explanation and ten checks; guided response saved. [TEX5-6]
52	Project	**Fashion-era research question**	Select an era and build a reliable research question and source list.	historical/cultural/contemporary influences; document and communicate project work	Fashion-era planning notes. [TEX5-6, 8]
53	Project	**Fashion-era article**	Draft a concise article describing characteristic clothing and context.	historical/cultural/contemporary influences; document and communicate project work	Draft era article with evidence. [TEX5-6, 8]
54	Project	**Historical influence comparison**	Compare one era feature with a contemporary example and explain the influence.	historical/cultural/contemporary influences; production/use impacts	Captioned comparison and explanation. [TEX5-6, 7]
55	Site	**Designer practice and target markets**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	creative design process; production/use impacts	Designer/market analysis and ten checks; guided response saved. [TEX5-3, 7]
56	Project	**Designer research**	Investigate a textile designer's background, location, focus area and recognisable style.	creative design process; document and communicate project work	Designer profile evidence. [TEX5-3, 8]
57	Project	**Designer interview writing**	Write evidence-based interview questions and responses in the designer's professional context.	creative design process; production/use impacts	Draft designer interview. [TEX5-3, 7]
58	Project	**Target market and brand positioning**	Connect materials, styling, quality, price and marketing to the designer's target market.	creative design process; production/use impacts	Target-market analysis. [TEX5-3, 7]
59	Site	**Magazine research and respectful evidence**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	historical/cultural/contemporary influences; document and communicate project work	Caption/reference audit and ten checks; guided response saved. [TEX5-6, 8]
60	Project	**Image captions and ethical use**	Caption each image, distinguish source evidence from student interpretation and check respectful use.	historical/cultural/contemporary influences; document and communicate project work	Caption and image-source audit. [TEX5-6, 8]

P61–P070

Numbered delivery sequence | Term 3

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
61	Project	**APA references and page plan**	Complete the reference list and plan a readable two-part magazine structure.	document and communicate project work	APA list and page map. [TEX5-8]
62	Site	**Exploring textile-art techniques**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Technique decision and ten checks; guided response saved. [TEX5-5, 9, 10]
63	Practical	**Textile-art technique sample — Hand embroidery**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
64	Practical	**Textile-art technique sample — Appliqué**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
65	Practical	**Textile-art technique sample — Couching**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
66	Practical	**Textile-art technique sample — Free-motion or machine embroidery**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
67	Practical	**Textile-art technique sample — Printing/painting**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
68	Practical	**Textile-art technique sample — Dyeing/fabric crayons**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
69	Project	**Task 2 submission checkpoint**	Proofread, export and submit the two-part magazine using the formal notification.	creative design process; historical/cultural/contemporary influences; production/use impacts; document and communicate project work	Task 2 submitted: Term 3 Week 8 / 12 September 2024 source date. [TEX5-3, 6–8]
70	Site	**Developing an original garden design**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	develop textile design ideas; colouration and decoration	Original design rationale and ten checks; guided response saved. [TEX5-4, 5]

P71–P080 Numbered delivery sequence | Terms 3–4

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
71	Project	**Textile Art brief and inspiration**	Begin the In the Garden folio brief and mood board; retain original, referenced source evidence.	develop textile design ideas; colouration and decoration; document and communicate project work	Brief and inspiration cards. [TEX5-4, 5, 8]
72	Project	**Textile Art concept development**	Develop two ideas for a maximum 40 × 40 cm artwork and compare strengths and weaknesses.	develop textile design ideas; colouration and decoration	Two labelled concepts. [TEX5-4, 5]
73	Project	**Final design and technique plan**	Render the selected design and nominate at least four teacher-approved decoration techniques.	develop textile design ideas; colouration and decoration; document and communicate project work	Final design and technique plan. [TEX5-4, 5, 8]
74	Practical	**Textile-art technique sample — Needle felting or approved alternative**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
75	Practical	**Textile-art technique sample — Technique combination test**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	colouration and decoration; select and manipulate materials; safe techniques and equipment	Dated work sample/photo and teacher observation. [TEX5-5, 9, 10]
76	Site	**Production drawing, making and evaluation**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	document and communicate project work; produce projects to completion; evaluate design/construction quality	Production/evaluation explanation and ten checks saved. [TEX5-8, 11, 12]
77	Practical	**In the Garden production — Transfer production drawing**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]
78	Practical	**In the Garden production — Prepare background**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]
79	Practical	**In the Garden production — Apply technique 1**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]
80	Practical	**In the Garden production — Apply technique 2**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]

P81–P090

Numbered delivery sequence | Term 4

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
81	Practical	**In the Garden production — Apply technique 3**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]
82	Site	**Revision across the three areas of study**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	properties and performance; materials selected for end use; historical/cultural/contemporary influences; production/use impacts	Retrieval map and ten checks; guided response saved. [TEX5-1, 2, 6, 7]
83	Project	**Final examination retrieval plan**	Build a revision map across Design, Properties and Performance, and Textiles and Society.	properties and performance; materials selected for end use; historical/cultural/contemporary influences; production/use impacts	Completed revision map and corrected retrieval notes. [TEX5-1, 2, 6, 7]
84	Project	**Task 4 final examination**	Complete the authorised open-book examination under the formal task conditions.	properties and performance; materials selected for end use; creative design process; historical/cultural/contemporary influences; production/use impacts	Task 4 examination evidence: Term 4 Week 4 / 7 November 2024 source date. [TEX5-1–3, 6, 7]
85	Practical	**In the Garden production — Apply technique 4**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]
86	Practical	**In the Garden production — Finish and quality check**	Follow the current teacher demonstration and hold points; record the operation and named quality check.	Decoration; select/manipulate materials; safe processes; complete quality work.	Dated work sample/photo and teacher observation. [TEX5-5, 9–11]
87	Site	**Final evaluation and portfolio readiness**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	document and communicate project work; evaluate design/construction quality	Portfolio audit and ten checks; guided response saved. [TEX5-8, 12]
88	Project	**Task 3 folio and evaluation submission**	Complete production evidence and evaluation; submit the authorised In the Garden task.	develop textile design ideas; colouration and decoration; document and communicate project work; evaluate design/construction quality	Task 3 submitted: Term 4 Week 5 / 14 November 2024 source date. [TEX5-4, 5, 8, 12]
89	Site	**Textiles as Gifts: a teacher-approved extension**	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback.	materials selected for end use; develop textile design ideas; evaluate design/construction quality	Conditional brief and ten checks; guided response saved. [TEX5-2, 4, 12]
90	Project	**Textiles as Gifts proposal — conditional**	Draft a recipient, need and criteria; do not begin making until the teacher approves the controlling brief.	materials selected for end use; develop textile design ideas	Teacher-approved proposal or recorded hold point. [TEX5-2, 4]

P91–P100 Numbered delivery sequence | Term 4

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
91	Practical	**Textiles as Gifts — approve brief**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
92	Practical	**Textiles as Gifts — test materials**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
93	Practical	**Textiles as Gifts — refine design**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
94	Practical	**Textiles as Gifts — prepare resources**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
95	Practical	**Textiles as Gifts — make stage 1**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
96	Practical	**Textiles as Gifts — make stage 2**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
97	Practical	**Textiles as Gifts — quality check**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
98	Practical	**Textiles as Gifts — finish**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
99	Practical	**Textiles as Gifts — evaluate**	Only after teacher approval: follow the demonstration, record the work and complete the named quality check.	Design for end use; develop ideas; make safely to completion; evaluate quality.	Dated work sample/photo and teacher observation. [TEX5-2, 4, 9–12]
100	Project	**Course portfolio, feedback and next steps**	Export the folio, check evidence against outcomes, respond to feedback and record one next-learning goal.	document and communicate project work; evaluate design/construction quality	Versioned folio export and final reflection. [TEX5-8, 12]

Evidence • feedback • support: Use folio autosave/export, dated practical photos or samples, teacher observation and assessment evidence. Give one actionable checkpoint at a time; use modelled examples, chunked instructions and approved adjustments without changing outcome expectations. Re-teach from the named site section when evidence shows a gap.
